Curators' Note

Rangat 2026

Rangat is an invitation to experience art not simply as something to look at, but as something to feel, discover, and connect with.

Rooted in the richness of Indian artistic traditions, Rangat brings together works that explore colour, movement, form, and expression. From traditional paintings that carry the essence of inherited craftsmanship to dynamic movement paintings and sculptural works that speak through shape and material, Rangat brings together diverse artistic voices under one roof.

At the heart of Rangat is a simple idea - art has the power to add colour to the way we see the world. It can preserve stories from the past, capture the energy of the present, and open our imagination to what lies ahead.

Each artwork in Rangat carries its own language. Some speak through colour, some through texture and form, while others invite us to pause and discover meaning in movement and silence. Together, they create a space where tradition meets contemporary expression, and where every work offers a new way of seeing.

We invite you to step into Rangat to wander through its colours, encounter its forms, and experience the many expressions of Indian art.

Come, discover the stories, emotions, and colours that make art come alive.
We look forward to welcoming you to Rangat at AIM Gallery.

About AIM Gallery

Art. Ink. Musings

Conceived in the year 2023, the AIM Gallery is a uniquely diverse space driven by a passionate pursuit of the discovery and exploration of the arts. We are an artistically charged team for whom art is a vital catalyst of change, a powerful tool of communication, and an indispensable witness to our lives and times. Consider AIM an artistic intervention - we believe art has the power to transcend, transform, and transport one to a realm of limitless possibilities, phenomenal growth, and extraordinary experiences. At AIM, we pride ourselves on being enablers, helping you navigate the immensely interesting world of art, educating you on the artist and artworks, sharing our expertise and knowledge on art, trends, and market dynamics to help you make informed acquisitions and decisions. With AIM comes an impressive network of galleries, auctions, dealers, artists, collections, and intelligence built over the years, primed to be harnessed and help you gain access to this burgeoning arena.

AIM Artspiration

AIM was primarily founded on the sheer love for art, to promote a stimulating exchange of ideas, to encourage aesthetic literacy, to cultivate a spirit of enquiry and curiosity, to help make art accessible, enjoyable, and at the same time, work towards its preservation, appreciation, and conservation. Rooted in artistic expression, we strive to challenge the boundaries of the conventional definition of art and expand the horizons of how art is perceived, consumed, and communicated. Visual, performative, experimental, digital, literary, contemporary - from exceptional curations for the art enthusiasts to premium network and powerful tools of promotion for art professionals, at AIM, you'll find your 'artspiration'.

AIM Vision

Our vision is to build AIM as a dynamic platform for cultural conversations, for nurturing artists, engaging art lovers, and fostering a community that is creatively involved, aesthetically evolved, and artistically literate. We endeavor to educate and enlighten people on art and its many facets, and be instrumental in building an artistically enterprising and invested community. It's an invigorating space that is nourishing and flourishing, restorative and reflective, diverse and inclusive, one that encourages fresh perspectives and aspires to cultivate an audience and environment that celebrates art.

The Cultural Conversationalists

She brings the ink. He brings the art. Together, they connect over artistic musings. Art. Ink. Musings. AIM. When Gurpreet Kaur Jauhar and Munish Jauhar decided to embark on their own ‘artistic’ voyage, AIM came naturally to them. Avid travellers, voracious readers, chroniclers of daily life, it’s their shared love for art and its pursuit that set a plan in motion and laid the foundation for AIM Gallery, a space pulsating with all things art, in 2023.

Armed with a degree in Arts and an expert calligraphist, Gurpreet finds art in everything - from the moving to the mundane, from the living to the stationary. Art, she feels, is not confined to frames or walls or any canvas; it can be seen and experienced in everyday encounters, environs, narratives, and aesthetics. It’s a million things. It’s a gateway that travels beyond the realm of imagination itself - every little element has art flowing in it, and that’s the idea with which AIM was conceived. “To elevate and match our wavelength with that of the universe called art,” is Gurpreet’s perspective.

Entrepreneur, Founder/CEO GrayCell Technologies, Munish Jauhar's tryst with art happened when he acquired his first serigraph of a work by the late legendary artist, MF Hussain, in 2008. It instantly opened doors to a new world where he connected with art as a potent tool of conversation, commentary, change, and investment.

From here began their journey of appreciating and collecting art. Rare prints, first edition books, sculptures, handmade treasures, vintage photos, record players, bespoke pieces of furniture, a frame here, a picture there - art became their constant companion. Soon, they found themselves enriched with artworks, advising friends and family on art, artists, and collections, curating and networking, investing and acquiring art, and taste for art. It was time, they felt, to share this wealth of knowledge and expertise, to create a community and vibe that resonates with art.

Art, for the Jauhars, is a resplendent reservoir of thought-provoking ideas, perceptions, history, heritage, and culture. AIM endeavors to explore this reservoir and fill the art void in our lives with not only spectacular exhibitions and dialogue-driven displays, but to expand the mind, open it to fresh perspectives, to recalibrate the center and allow art to help us heal and express, emote and create, sensitise and empathise, involve and evolve. Come, let us break free from set norms and patterns, and see what lies beyond.
